

Personnage\setEtoile

```
graph LR; A[Personnage\setEtoile] --> B[Personnage\etoile]
```

A diagram showing a mapping from a method to a property. On the left, a gray rectangular box contains the text 'Personnage\setEtoile'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'Personnage\etoile'. Both boxes have a black border.

Personnage\etoile
